

Eye Session 1 Materials Needed

Pre-Assessment Worksheet – print one copy for each participant

Parts of the Eye Game

- Handout – “Eye structure,” shows parts of the eye (with eye diagram)
- Handout – “Parts of the Eye Game,” has definitions for each part of the eye
- Tags with the parts of the eye to put on their backs (attach with tape); make sure to have enough tags for each participant

Handouts

- Word scramble and word search, page 8 from “Vision School Program” by National Institutes of Health (NIH), National Eye Institute
- Optical illusions, page 7 from “Vision School Program”
- Paper rulers (needed for Optical illusions handout)
- How the eyes work

Pencils

Speakers for laptop for playing audio for the video

HDMI cord and other options for connecting laptop
