

Focus on the Eye

1. Identify the structures of the eye: match the number on the diagram with the part of the eye listed below (cornea, iris, lens, retina, vitreous humor, optic nerve, pupil)

- ___ cornea
- ___ iris
- ___ lens
- ___ retina
- ___ vitreous humor
- ___ optic nerve
- ___ pupil

2. What did you learn about the eye that you didn't know before?

3. Would you recommend this course to a friend (yes/no)?

4. What part of the course did you find most interesting?
