

SIMON A. COLE

Department of Criminology, Law & Society
School of Social Ecology
2340 Social Ecology II
University of California
Irvine, CA 92697-7080
(949) 824-1443
Fax: (949) 824-3001
scole@uci.edu

TEACHING & RESEARCH POSITIONS

University of California, Irvine	Department of Criminology, Law & Society	Professor	2013-present
		Associate Professor	2006-2013
		Assistant Professor	2002-2006
Cornell University	Department of Science & Technology Studies	Visiting Scientist	2001-2002
Visual Networks		Visualization Architect	2000
Rutgers University	Institute for Health, Health Care Policy, and Aging Research	Postdoctoral Fellow	1997-1999

EDUCATION

Cornell University	Science & Technology Studies	Ph.D.	1998
		M.A.	1995
Princeton University	History European Cultural Studies	A.B. with Honors Certificate of Proficiency	1989

PUBLICATIONS

Books

- B2. Michael Lynch, **Simon A. Cole**, Ruth McNally, & Kathleen Jordan, *Truth Machine: The Contentious History of DNA Fingerprinting* (University of Chicago Press). 2008
- **Distinguished Publication Award**, Ethnomethodology and Conversation Analysis Section, American Sociological Association, 2011

- B1. Simon A. Cole, *Suspect Identities: A History of Fingerprinting and Criminal Identification* 2001 (Harvard University Press).
- Awarded **Rachel Carson Prize** (for a book length work of social or political relevance in the area of social studies of science and technology), Society for Social Studies of Science, October 17, 2003.
 - Excerpt reprinted in *California Lawyer*, Volume 21, Number 6 (June 2001), pp. 46-76.
 - Excerpt reprinted in David A. Sklansky, *Evidence: Cases, Commentary, and Problems* (Aspen Publishers, 2003), pp. 538-540.
 - Paperback edition (Harvard University Press, 2002).

Journal Articles

GRANTS

11. **National Institute of Standards and Technology**, Center of Excellence in Forensic Science and Statistics, 426-17-02B, *Center for Statistics and Applications in Forensic Evidence*, Co-Principal Investigator, \$20,000,000, June 1, 2020 – May 31, 2025.
10. Center of Excellence in Forensic Science and Statistics, 70NANB15H176, *Center for Statistics and Applications in Forensic Evidence*, Co-Investigator, \$20,000,000, July 1, 2015 – June 30, 2019.
9. **National Science Foundation**, Human & Social Dynamics: Agents of Change, SES-0623122 *Workshops on Surveillance and Society*, Co-Principal Investigator, \$108,807, September 15, 2006 – September 15, 2008.
8. **Project on Scientific Knowledge & Public Policy**, Measuring the Use and Effects of the *Daubert* Decision: Pilot Studies, *Assessing the Feasibility of Building a Database of Trial Transcripts Containing Scientific Testimony*, Principal Investigator, \$25,000, January 1, 2006 – July 31, 2007.
7. **National Institutes of Health**, National Human Genome Research Institute, Ethical Legal and Social Implications of Human Genetics and Genomic Research Small Grant Program, HG-003302, *Criminal Justice Applications of Genetic Information*, Principal Investigator, \$148,989, September 22, 2005 – August 31, 2007.
6. **National Science Foundation**, Standard Grant, IIS-0527729, *Privacy, Identity, and Technology*, Co-Principal Investigator, \$749,943, September 15, 2005 – August 31, 2008.
5. **National Science Foundation**, CAREER Grant, SES-0347305, *Toward a Systems Analysis of the Utilization of Scientific Evidence in the Criminal Law*, Principal Investigator, \$402,806, February 1, 2004 – January 31, 2009 (estimated).
4. **Newkirk Center for Science and Society**, Seed Grant, *Reconfiguring Forensic Identification in a New Scientific and Regulatory Framework*, Principal Investigator, \$8,000, July 7, 2003 – September 12, 2003.
3. **Smith College Archives**, Margaret Storrs Grierson Travel-to-Collections Funds, *Race, Biology, and Fingerprints: The Role of Harris Hawthorne Wilder and Inez Whipple Wilder*, Principal Investigator, \$650, June 30, 2003 – July 1, 2003.
2. **National Science Foundation**, Standard Grant, SES-0115305, *DNA Profiling and Fingerprinting: Relations between Closure and Controversy*, Co-Investigator, \$143,881, September 1, 2001 – November 30, 2002.

March 20, 2023

1. **New York State Archives Partnership Trust**, Larry J. Hackman Research Residency, Principal Investigator, 1996.

LECTURES & PRESENTATIONS

Invited Presentations (Academic/Government)

- | | | |
|--------|--|------|
| IA151. | University of Oslo , Department of Criminology & Sociology of Law, <i>Seminar</i>
“The Current State of Criminological Theory,” December 2. | 2022 |
| IA150. | Medical, legal and lay understandings of physical evidence in rape cases (Evidently Rape), <i>Evidence in Motion: Collecting, Interpreting, Consolidating Evidence</i>
“Communicating Scientific Evidence in Legal Settings: Probability and Other Approaches” (Keynote Address), November 29. | |
| IA149. | Stetson University , College of Law, National Clearinghouse for Science, Technology and the Law, <i>Crime Scene to Courtroom: Forensic Training Webinar Series—Forensic Evidence Essentials: Current Research and Trends</i>
“Evaluation of Forensic Science Contributions to Erroneous Convictions,” July 21. | 2022 |
| IA148. | Iowa State University , Center for Statistics and Applications in Forensic Evidence, <i>Webinar</i>
“A Survey of Fingerprint Examiners’ Attitudes Towards Probabilistic Reporting,” September 22 (with Henry Swofford & Valerie King). | 2021 |
| IA147. | <i>Field Update</i>
“Mt. Everest—We are Going to Lose Many: A Survey of Fingerprint Examiners’ Attitudes Towards Probabilistic Reporting,” June 14 (with Henry Swofford & Valerie King) (webinar). | 2021 |
| IA146. | University of Lausanne , School of Criminal Justice, <i>Public Conference</i>
“What the Study of Microscopic Hair Comparison Analysis Reveals about the Role of Forensic Testimony in Exoneration Cases in the United States,” May 27 (webinar). | 2021 |
| IA145. | New York University , US-Asia Law Institute, <i>Trends in the Innocence Movement in Asia and the U.S.</i>
Panelist, “Eliminating the Use of Junk Science,” December 8 (webinar). | 2020 |
| IA144. | Yeshiva University , Cardozo Law School/National Association of Criminal Defense Lawyers, <i>National Forensic College</i>
“An Overview of Fingerprint Standards” (with Henry Swofford), October 29 (via videoconference). | 2020 |

March 20, 2023

- IA143. **National Judicial Institute, Canada** *Gatekeeping Expert Evidence* 2020
 “Fingerprint and Pattern Recognition,” February 27 (via videoconference).
- IA142. **University of Oxford**, All Souls College, *Criminology Seminar Series* 2020
 “The Contribution of Forensic or other Expert Evidence to Wrongful Convictions in the United States: Data and Experiences from the National Registry of Exonerations,” February 6.
- IA141. **University of California, Irvine**, Osher Lifelong Learning Institute 2019
 “The Criminal Exoneration Project at UCI” (with Eva Nagao), October 25.
- IA140. **University of Houston**, Law Center, *The Future of Crime Labs and Forensic Science* 2019
 “How Can a Forensic Result Be a ‘Decision’?” September 20.
- IA139. **University of British Columbia**, Peter A. Allard School of Law/**British Columbia Institute of Technology**, *Strengthening Forensic Science in the Courtroom* 2019
 “Best Practices in Fingerprint Identification,” June 7.
- IA138. **Yeshiva University**, Cardozo Law School/National Association of Criminal Defense Lawyers, *National Forensic College* 2019
 “Expressing Conclusions: Language of Testimony and Reports and the ULTRs,” June 3, New York, New York.
- IA137. **Iowa State University**, Psychology and Law Program 2019
 “Probability, Reporting, and Standards: Current Issues in the Reform of Forensic Science,” May 20.
- IA136. **Duke University**, School of Law/ **Center for Statistics and Applications in Forensic Evidence**, *Ten Years After “A Path Forward”: Strengthening the Connection Between Forensics, Statistics, and Law* 2019
 Panelist, “Rethinking Litigation,” March 6.
- IA135. **Ritsumeikan University**, Global Innovation Research Organization/**Innocence Project Japan/New York University**, US-Asia Law Institute, *The Frontier of the Innocence Movement in the United States* 2019
 “Wrongful Convictions and Forensic Science: What We Can Learn from the National Registry of Exonerations,” January, 12, Osaka, Japan.
- IA134. **Renmin University**, Procedural System and Judicial Reform Research Center/**New York University**, US-Asia Law Institute 2019
 “Forensic Science in the United States” (with Christopher Fabricant), January 10, Beijing, China.

- IA133. **Nankai University/New York University**, US-Asia Law Institute
 “Forensic Science in the United States” (with Christopher Fabricant), January 9
 (downtown campus, evening), Tianjin, China. 2019
- IA132. (suburban campus, morning).
- IA131. **China University of Politics and Law**, Institute of Evidence Law and Forensic
 Science/**New York University**, US-Asia Law Institute 2019
 “Forensic Science in the United States” (with Christopher Fabricant), January 8,
 Beijing, China.
- IA130. **Iowa State University**, Center for Statistics and Applications in Forensic Evidence 2018
 “Probabilistic Reporting in American Criminal Cases: A Baseline Study” (with
 Matt Barno & Valerie King), webinar, November 28.
- IA129. **University of Lausanne**, School of Criminal Sciences, 7th Doctoral School 2018
 “Forensic Statistics: Paradigm or Vortex?” September 11.
- IA128. “Workshop: Using an Archive of Exonerations for Research and Teaching,”
 September 12, Saignelégier, Jura, Switzerland.
- Iowa State University**, Center for Statistics and Applications in Forensic Evidence, *All* 2018
Hands Meeting
- IA127. “Analysis of Forensic Evidence and Wrongful Convictions” (with Matt Barno &
 Alyse Berthenthal).
- IA126. “Education of Legal Professionals on the Role of Statistics in Forensics and the
 Law” (with Matt Barno & Alyse Bertenthal).
- IA125. “Analysis of Forensic Testimony and Reports” (with Matt Barno & Alyse
 Bertenthal), June 12, Ames, Iowa.
- IA124. **Loyola University Chicago, School of Law/Cook County Public Defender**, *Forensic* 2018
Conference
 “A Paradigm Change for Forensic Science? Toward a Probabilistic Revolution,”
 June 1, Chicago, Illinois.
- IA123. **United States District Court, District of Minnesota**, *Judges’ In-Court Seminar* 2018
 “Forensic Science, Bias, and Probability,” May 31, Alexandria, Minnesota.
- IA122. **University of California, Irvine**, Center for Psychology & Law, *When Justice Fails: A* 2018
Discussion on Exculpatory Evidence and Official Misconduct,
 Panelist, April 24.
- IA121. **Georgia State University**, College of Law, *From the Crime Scene to the Courtroom:* 2018
The Future of Forensic Science Reform
 “A Path Forward,” Panelist, April 6, Atlanta.

- IA120. **University of Wisconsin—Madison**, Robert F. and Jean E. Holtz Center for Science & Technology Studies, *Big Data, Race and the Criminal Justice System*, Panelist, February 22. 2018
- IA119. **Seton Hall University**, School of Law, *Experts, Inference and Innocence: A Symposium in Honor of the Work of D. Michael Risinger* “Who Will Regulate American Forensic Science?” October 27, Newark, New Jersey. 2017
- IA118. **University of Central Florida**, National Center for Forensic Science, *Florida Forensic Science Annual Conference* “What is Forensic Statistics, and What Does it Mean for Forensic Pattern Recognition?” October 18, Orlando, Florida. 2017
- IA117. **National Autonomous University of Mexico** Postgraduate Program in Philosophy of Science “Forensic Statistics: Paradigm or Vortex?” October 11, Mexico City. 2017
- IA116. Thematic Network on Forensic Science, *Second Annual Meeting* “What is Forensic Statistics, and What Does it Mean for Forensic Pattern Recognition?” October 10.
- IA115. **Iowa State University**, Center for Statistics and Applications in Forensic Evidence, *All Hands Meeting* “Education of Legal Professionals on the Role of Statistics in Forensics and the Law” (with Matt Barno & Alyse Bertenthal) 2017
- IA114. “Analysis of Forensic Testimony and Reports” (with Matt Barno & Alyse Bertenthal), June 8, Ames, Iowa.
- IA113. **University of Amsterdam**, *Doing the Individual and the Collective in Forensic Genetics: Governance, Race and Restitution* “Forensics in Black and White: Individual and Collective Identification in Contemporary Friction Ridge, Hair, and Microbiome Forensics,” May 11 (via videoconference). 2017

“Recent Developments in Forensic Fingerprint Evidence,” July 5. 2001

- IP2. **Defender Association of Philadelphia**, *Criminal Defense Update*. 2001
 “Debunking Fingerprints” (with Robert Epstein), April 21.
- IP1. **Administrative Office of the United States Courts**, *National Seminar on Forensics and the Criminal Law*. 2000
 “Understanding and Evaluating Fingerprint Evidence” (with Robert Epstein), November 4, Philadelphia, Pennsylvania.

Conference Presentations

- CP50. **Society for Social Studies of Science**, *Annual Meeting* 2022
 “Crime and the Construction of Transportation Technology: The West Virginia University Personal Rapid Transit, Hitchhiking, and the ‘Co-ed Murders’” (with Alyse Bertenthal), December 8, Cholula, Mexico (by videoconference).
- CP49. **Society for Social Studies of Science**, *Annual Meeting*
 “Wildlife Forensics” (with Alyse Bertenthal), October 7 (virtual). 2021
- CP48. “Statistical Models and Software as Forensic Devices: Between Science, Market and Practice” (with Justin Sola), October 6 (virtual).
- CP47. **Iowa State University**, *Center for Statistics and Applications in Forensic Evidence* 2019
 “Survey of Fingerprint Examiners on Probabilistic Reporting Standards” (with Valerie King & Henry Swofford), May 21.
- CP46. **American Academy of Forensic Sciences**, *Annual Scientific Meeting* 2019
 “Probabilistic Reporting in American Criminal Cases: A Baseline Study” (with Matt Barno), February 21, Baltimore, Maryland.
- CP45. **École des Hautes Études en Sciences Sociales**, *Genetic Identities and Identification: Social Issues Surrounding Non-Medical DNA Testing* 2018
 “Inverting the Inversion of Credibility: Forensic Genetics and Other Identification Techniques in the post-PCAST Era,” October 11, Paris, France.
- CP44. **International Conference on Forensic Inference and Statistics**, *10th meeting* 2017
 “How Do Forensic Practitioners Report Pattern Recognition Results in the United States?” (with Matt Barno & Alyse Berthenthal), September 8, University of St. Thomas, Minneapolis, Minnesota.
- CP43. **Society for Social Studies of Science**, *Annual Meeting* 2017
 “Forensic Statistics: Paradigm or Vortex,” September 1, Boston, Massachusetts.

- CP42. **Society for Social Studies of Science/European Association for the Study of Science and Technology, *Annual Meeting*** 2016
“Forensic and Surveillance Technologies: From Evidence to Intelligence,”
September 3, Barcelona, Spain.
- CP41. **Law & Society Association, *Annual Meeting*** 2016
“Roundtable: What is left out of contemporary academic and reform
conversations about forensic science and expert testimony?” June 5, New
Orleans, Louisiana.
- CP40. **Society for Social Studies of Science, *Annual Meeting*** 2013
“The Probability of Practical Impossibility: A Forensic Discipline Confronts
Uncertainty,” October 11, San Diego, California.
- CP39. **Law & Society Association, *Annual Meeting*** 2012
“Roundtable—Forensic Ignorance: Experts, Exogenous Knowledge, and the
Limits of Law” (with Emma Cunliffe, Gary Edmond & Andrew J.
Roberts), June 5, Honolulu, Hawaii.
- CP38. **American Society of Criminology, *Annual Meeting*** 2011
“Racial Disparities in DNA Databanks” (with Sara Wakefield), November 17,
Washington, D.C.
- CP37. **Society for Social Studies of Science, *Annual Meeting*** 2011
“Toward a Sociology of Forensic Science,” November 5, Cleveland, Ohio.
- CP36. **Society for Empirical Legal Studies, *Fourth Annual Conference*** 2009
“Speaking of Evidence: An Empirical Study of the Reporting of Forensic
Conclusions in US Criminal Trials,” November 21, University of
Southern California.
- CP35. **American Society of Criminology, *Annual Meeting*** 2008
“Teaching Miscarriages of Justice,” St. Louis, November 13.
- CP34. **Society for Social Studies of Science/European Association for the Study of Science & Technology, *Joint Annual Meeting*** 2008
“Lifestyle Intelligence and the Resurgence of Diagnostic Forensics,” Rotterdam,
Netherlands, August 22.
- CP33. **Seventh International Conference on Forensic Inference & Statistics** 2008
“Beyond Individualization, or How Wittgenstein Can Save Forensic
Identification,” Lausanne, Switzerland, August 21.

- CP32. **Law & Society Association/Canadian Law & Society Association, Joint Meetings**
 “Judging Experts: Preliminary Notes Toward a Theory of Meta-Expertise,”
 Montreal, Quebec, May 31. 2008
- CP31. “Experts on Fire: What Is an Arson Expert?” (with Rachel Dioso-Villa) May 30.
- CP30. **Drexel University, Science, Technology and the Historical Influence of Race: An Interdisciplinary Conversation** 2007
 “Twins, Twain, Galton & Gilman: Fingerprinting, Individualization, Brotherhood, and Race in *Pudd’nhead Wilson*,” March 9.
- CP29. **University of California, Los Angeles, School of Law** 2006
The Faces of Wrongful Conviction
 “The Prevalence and Potential Causes of Wrongful Conviction by Fingerprint,” April 8.
- CP28. **Society for Social Studies of Science** 2005
 “‘A Wispy Thing Like Smoke’: Accounting for Error in Forensic Identification,” Pasadena, California, October 22.
- CP27. **Society for Social Studies of Science/European Association for the Study of Science and Technology** 2004
 “Jackson Pollock, Judge Pollak, and Public Proofs of Experience-Based Knowledge,” Paris, France, August 26.
- CP26. **American Sociological Association** 2004
 “Core Ambiguities: The Legal Constitution of Core Sets in Disputes about Forensic Evidence,” (with Michael Lynch) San Francisco, California, August 15.
- CP25. **American Society of Criminology** 2003
 “DNA and Fingerprint Identification: Rhetorics of Reliability and Credibility” (with Michael Lynch), Denver, Colorado, November 21.
- CP24. **Society for Social Studies of Science** 2003
 “*Suspect Identities: Author Meets Critic*” (author), Atlanta, Georgia, October 18.
- CP23. **Society for the History of Technology** 2003
 “Ne’er the Twins Shall Meet: Race, Criminal Identification Techniques, And *Pudd’nhead Wilson*,” Atlanta, Georgia, October 17.
- CP22. **Cornell University, Department of Science & Technology Studies, Connecting S&TS: The Academy, the Polity and the World** 2003
 “S&TS on Trial: Deploying S&TS in Criminal Litigation,” Sept. 28.

March 20, 2023

- CP21. **Law and Society Association** 2003
 “Law Making Science: The Case of Forensic Fingerprint Identification,”
 Pittsburgh, Pennsylvania, June 7.
- CP20. **Association for the Study of Law, Culture & the Humanities** 2003
 “A Roundtable On the Science of Law,” New York, New York, March 9.
- CP19. **Society for Social Studies of Science** 2002
 “The Legal Reconstruction of Science: DNA, *Daubert*, and Fingerprinting” (with
 Michael Lynch), Milwaukee, Wisconsin, November 8.
- CP18. **American Sociological Association** 2002
 “Quantification and the Credibility of ‘Scientific’ Evidence: The Checkered
 Careers of DNA Profiling and Fingerprinting” (with Michael Lynch),
 Chicago, August 19.
- CP17. **European Association for the Study of Science and Technology** 2002
 “Judicial Metascience and the Credibility of Expert Evidence” (with Michael
 Lynch), York, England, August 2.
- CP16. **Law and Society Association** 2002
 “DNA and Fingerprint Identification: A Comparative Controversy Study” (with
 Michael Lynch), Vancouver, British Columbia, May 31.
- CP15. **American Academy of Forensic Science**, Breakfast Seminar. 2002
 “Fingerprint Evidence and the Nature of Forensic Science,” Atlanta, Georgia,
 February 13.
- CP14. **Society for Social Studies of Science** 2001
 “Constructing a Wayback Machine: Compiling an Archive on Voting
 Technologies and the 2000 Presidential Election” (with Marcus Boon),
 Cambridge, Mass., November 2.
- CP13. **National Institute of Justice**, National Conference on Science and the Law, *Emerging* 2000
Trends: Scientific Evidence in the Courtroom.
 “Renegotiating Science: Fingerprinting and *Daubert*,” San Diego, California,
 October 13.
- CP12. **European Association for the Study of Science and Technology/ Society for Social**
Studies of Science
 “Fingerprinting at the Border: Technology, Race, Citizenship, Identity,” Vienna,
 Austria, September 28.
- CP11. “Roundtable: Identifying Standardization: The Body, The Data and the Person in
 the Era of DNA Fingerprinting,” Vienna, Austria, September 29. 2000

- CP10. **Committee for the Anthropology of Science, Technology, and Computing,** 1999
Technoculture.
 “Your Friends and Neighbors: Stalking Sexual Predators in Cyberspace,” New York, New York, June 11.
- CP9. **American Association for the History of Medicine** 1999
 “From the Sexual Psychopath Statute to ‘Megan’s Law’: Psychiatric Knowledge in the Diagnosis, Treatment, and Adjudication of Sex Offenders in New Jersey, 1949-1999,” New Brunswick, New Jersey, May 9.
- CP8. **American Historical Association** 1999
 “Immutable Mobiles: The Role of Human Migration in the Origin of Fingerprint Identification,” Washington, D.C., January 11.
 • Published in *Proceedings of the American Historical Association, 1999* (Ann Arbor: UMI).
- CP7. **Social Science History Association** 1998
 “Sources of Identity, Signs of Sin: Criminal Identification Systems in the United States,” Chicago, Illinois, November 20.
- CP6. **Cornell University, Making People: The Normal and Abnormal in Constructions of Personhood.** 1998
 “Identifying People: The Fingerprint as Sign, from Criminality to Personhood,” April 26.
- CP5. **American Culture Association/Popular Culture Association** 1998
 “Dactyloscopy versus Anthropometry at the 1904 Exposition,” Orlando, Florida, April 11.
- CP4. **Northeast Victorian Studies Association, Victorian Worlds: Anthropologies, Ethnicities, Geographies.** 1998
 “The Madness of Sir Francis Galton: The Colonial and Eugenic Origins of Fingerprint Identification,” Smith College, April 5.
- CP3. **Law and Society Association** 1997
 “The Profession of Truth: Fingerprint Examiners and Expert Knowledge,” St. Louis, Missouri, May 31.
- CP2. **Society for Social Studies of Science/Society for the History of Technology** 1995
 “Trying Dactyloscopy: The Mechanization of Truth in the Courtroom,” Charlottesville, Virginia, October 19.
- CP1. **Cornell University, Doing is Believing: Credibility and Practice in Science and Technology.** 1995
 “There Is Something to this Science: Establishing the Credibility of Fingerprinting in the United States,” April 23.

SERVICE

Profession

- | | | |
|---|---|----------------|
| Director & Associate Editor, National Registry of Exonerations | Oversee and collaborate in the operation of an internationally recognized archival, research, and public information project whose mission is to provide comprehensive information on all known exonerations of innocent criminal defendants in the United States, from 1989 through the present. | 2016 – present |
| Member, Friction Ridge Subcommittee, Organization of Scientific Area Committees (OSAC) for Forensic Science, National Institute of Standards & Technology | Subcommittees bring together subject matter experts for specific disciplines to review, catalyze and propose discipline-specific standards. | 2018 – 2024 |
| Vice Chair, Friction Ridge Consensus Body, American Academy of Forensic Sciences Standards Board | Responsible for developing agendas, conducting meetings, establishing timeframes for the development and completion of standards, appointing subgroups as needed, upholding voting procedures, leading the body toward consensus, communicating with the Secretariat, and other actions as needed to bring standards activities to successful completion. | 2021 – present |
| Member | Responsible for developing, reviewing, and voting upon standards, technical reports, and best practice recommendations in this discipline of forensic science. | 2016 – 2021 |
| Member, Forensic Culture Task Force, OSAC for Forensic Science, National Institute of Standards & Technology | | 2015 – 2016 |

March 20, 2023

Member, Human Factors Subcommittee, National Commission on Forensic Science	2015 – 2017
Commissioner, American Judicature Society Commission on Forensic Science and Public Policy. The American Judicature Society (AJS), founded in 1913, is an independent, national, nonpartisan organization of judges, lawyers, and other members of the public who seek to improve the justice system. The AJS Commission on Forensic Science and Public Policy is composed of distinguished scientists, nationally respected law enforcement officials, prominent attorneys and judges, and other citizens devoted to improving the administration of justice through the application of cross-disciplinary research and education.	2005 – 2014
Advisory Boards	
Digital DNA , Department of Criminology & Sociology of Law, University of Oslo	2022 – present
Dissect : Evidence in International Human Rights Adjudication, University of Ghent	2020 – 2025
Center for Integrity in Forensic Science The first non-profit organization in the United States to bring exclusive focus to improvement of the reliability and safety of criminal prosecutions through strengthening the forensic sciences.	2018 – present
Innocence Project New Zealand	2007 – 2015
Northumbria University Centre for Forensic Science	2010 – 2015
Journals	
<i>Theoretical Criminology</i> Associate Editor	2022 – present
Co-Editor	2008 – 2021
U.S. Book Review Editor	2005 – 2007
<i>Law & History Review</i> Editorial Board	2013 - 2017
<i>Contexts</i> Editorial Board	2014 - 2016
<i>Law & Society Review</i> Editorial Advisory Board	2010 - 2012

Manuscript/Proposal/Report reviews

Publishers:

Manuscript, proposal, and book series reviews for 25 university presses and educational publishers. 1999 – present

Journals:

Manuscript reviews for 83 scholarly journals and professional society publications. 2001 – present

Funding Agencies:

Proposal reviews for 15 funding agencies from 11 countries or regional federations. 2004 – present

Campus

Director, Newkirk Center for Science & Society 2013 – 2021

Acting Research Integrity Officer, Office of the Vice Chancellor for Research 2015 – 2019

Social Ecology Faculty Representative, Cybersecurity Institute 2015 – 2018

Member, School of Social Ecology Dean Search Committee 2015

Chair, Faculty Subcommittee, Committee to Advise the President on the Selection of the Chancellor 2014

Member, Committee to Advise the President on the Selection of the Chancellor 2014

Advisory Board Member, Center for Law, Society & Culture 2013 – 2016

Member, Committee on Privilege & Tenure 2013 – 2016

Chair, Department of Criminology, Law & Society 2009 – 2012, 2021

Vice Chair, Department of Criminology, Law & Society 2007 – 2009, 2014 – 2015

Member, Council on Faculty Welfare 2008 – 2011
Representative to Chancellor's Advisory Committee on Child Care

Faculty Senate Chair, School of Social Ecology 2006 – 2007

Member, Campuswide Honors Program Board 2005 – 2008

Member, Conflict of Interest Oversight Committee 2003 – 2006

March 20, 2023

Member and Chair, Various recruitment, promotion, and admissions committees,
Department of Criminology, Law & Society

2002 – present
